

# 55th ICFA Advanced Beam Dynamics Workshop on High Luminosity Circular e+e- Colliders — Higgs Factory (HF2014)

Saturday, 11 October 2014

Parallel Session 8: WG 6 — Injectors and Injection (14:00 - 15:30)

-Conveners: David Rice, Yannis Papaphilippou

time [id] title

presenter

| time  | [id] | title  | presenter                |
|-------|------|--|--------------------------|
| 14:00 | [61] | (1) CEPC injector                            | Prof. ZHANG, Chuang      |
| 14:22 | [62] | (2) FCC-ee injector                          | Dr PAPAPHILIPPOU, Yannis |
| 14:44 | [63] | (3) Maintaining polarization in synchrotrons | KOOP, Ivan               |
| 15:06 | [64] | (4) Discussion                               |                          |
