

55th ICFA Advanced Beam Dynamics Workshop on High Luminosity Circular e+e- Colliders — Higgs Factory (HF2014)

Friday, 10 October 2014

Parallel Session 3: WG 1 — Parameters (10:30 - 12:00)

-Conveners: Eugene Levichev, Frank Zimmermann

time	[id]	title	presenter
10:30	[26]	(7) Constraints on the FCC-ee lattice from the compatibility with the FCC hadron collider	Mr HARER, Bastian
11:00	[27]	(8) Polarization issues and schemes for energy calibration	KOOP, Ivan
11:30	[28]	(9) Optimizing costs of construction and operation, possible construction time line	Dr CHOU, Weiren
