

# **The CEPC-SppC Project**

## **Discussion**

**XinChou Lou (IHEP)**

# Conceptual Design Report

- **CEPC accelerator CDR**  
due by end of 2016
- **CEPC Physics & Experiment**  
what is the deadline?
  - tasks & topics  $\iff$  manpower
  - real issues  $\leftarrow$  expert help
  - **identify serious/major physics and technical obstacles + find solutions**
  - schedule
  - other

# Conceptual Design Report

## Design & R&D – project management

- record keeping: minutes, slides,...
- Physics & Technical Notes: central repository exists – please use it
- review: need to adopt internal review
- **joint session and working groups: physics-detector-accelerator**
- other

# Conceptual Design Report

## Design & R&D – participation by Young people

- get involved
- learn skills and help design the experiment
- become an expert; great professional development
