

Closing Remarks

Changzheng YUAN (for the LOC)

Li-Jun Guo, Ying-Hua Jia

Tie-Jun Deng, Shan Jin

Wei-Dong Li, Hai-Bo Li

Xiao-Hu Mo, Rong-Gang Ping

Ping Wang, Tong-Zhou Xu

Qiang Zhao, Yong-Sheng Zhu

Thanks

- Thanks all the speakers
- Thanks all the participants
- With all of you, we had a pleasant workshop with lots of good talks and fruitful discussions!

Thanks

- Thanks our IAC

K. T. Chao (Peking U.)
M. Davier (Orsay, LAL)
E. de Rafael (Marseille, CPT)
F. A. Harris (Hawaii U.)
J. H. Kuehn (Karlsruhe U.)
B. Lee Roberts (Boston U.)
A. Vainshtein (Minnesota U.)
G. Venanzoni (INFN, Frascati)
B. S. Zou (IHEP, Beijing)

H. Czyz (Silesia U.)
A. Denig (Karlsruhe U., IEKP)
S. Eidelman (Novosibirsk, Budker)
F. Jegerlehner (Humboldt U.)
S. L. Olsen (Seoul National U.)
S. Serednyakov (Novosibirsk, Budker)
E. P. Solodov (Novosibirsk, Budker)
Y. F. Wang (IHEP, Beijing)

- Your suggestions are very important for the very attractive agenda!
- It is a pity some of them cannot come.

We heard lots of complains

We heard lots of complains

Talk time is too short ...

We heard lots of complains

Talk time is too short ... (we can stop at 21:00 ☺)

We heard lots of complains

Talk time is too short ... (we can stop at 21:00 ☺)

Agenda is too full ...

We heard lots of complains

Talk time is too short ... (we can stop at 21:00 ☺)

Agenda is too full ... (we can make a talk 15' ☹)

We heard lots of complains

Talk time is too short ... (we can stop at 21:00 ☺)

Agenda is too full ... (we can make a talk 15' ☹)

One day excursion is too short

We heard lots of complains

Talk time is too short ... (we can stop at 21:00 ☺)

Agenda is too full ... (we can make a talk 15' ☹)

One day excursion is too short

(we may have a 5-day workshop next time ☺)

We heard lots of complains

Talk time is too short ... (we can stop at 21:00 ☺)

Agenda is too full ... (we can make a talk 15' ☹)

One day excursion is too short

(we may have a 5-day workshop next time ☺)

The foods are not good for health (“I eat too much not only in the banquet and reception, but also in lunch and breakfast!”)

The foods are not good for health (“I eat too much not only in the banquet and reception, but also in lunch and breakfast!”) (Sorry, you are in China!)

And most serious one is ...

The workshop should not be called

“from phi to psi”!

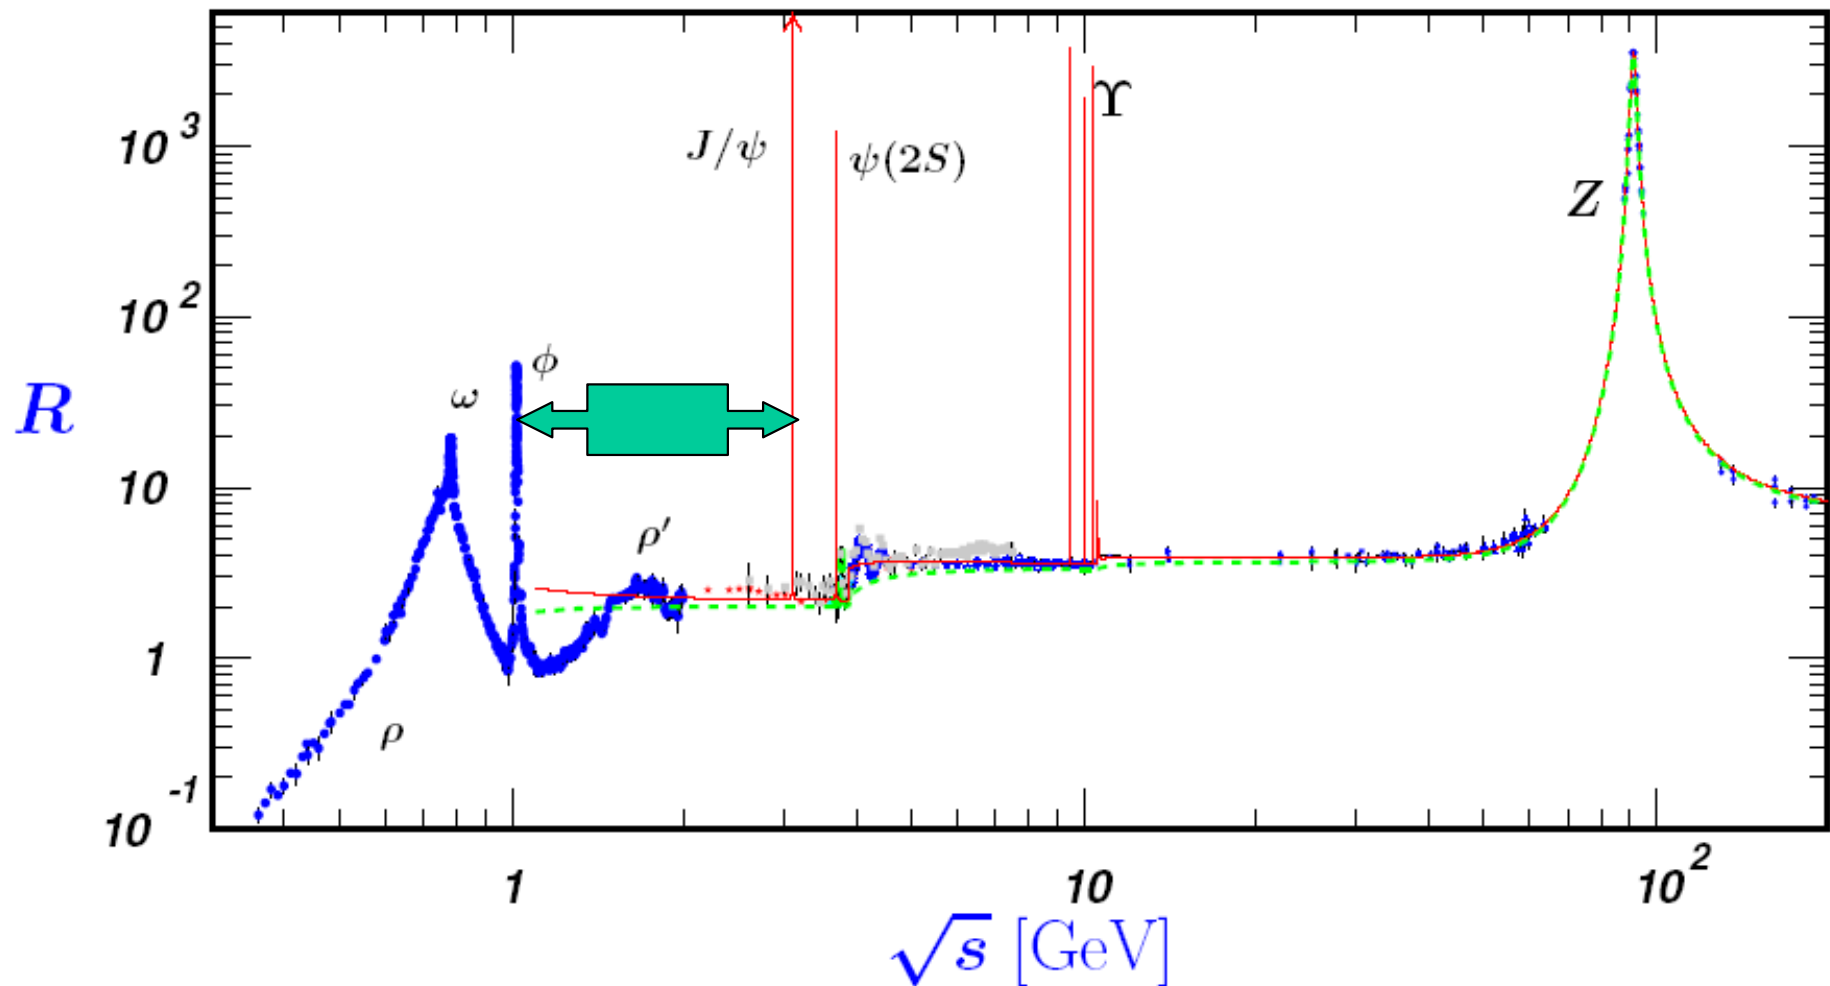

The workshop should not be called

“from phi to psi”!

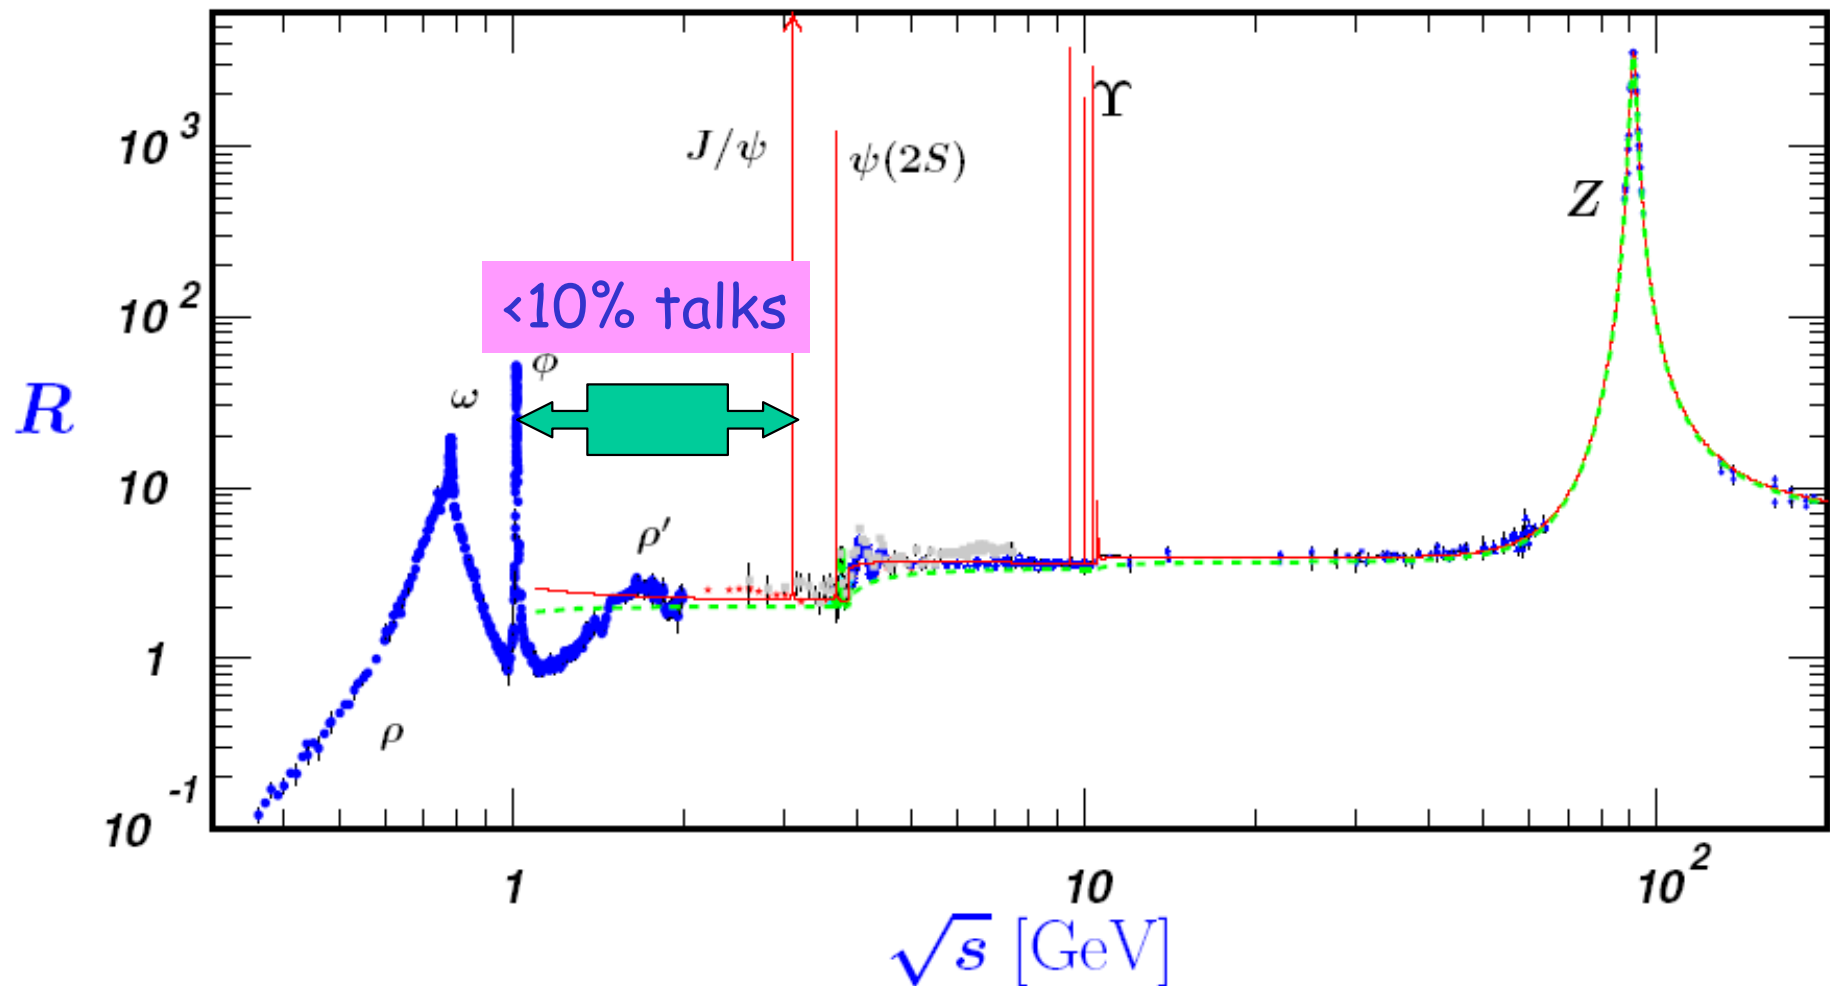

The workshop should not be called

“from phi to psi”!

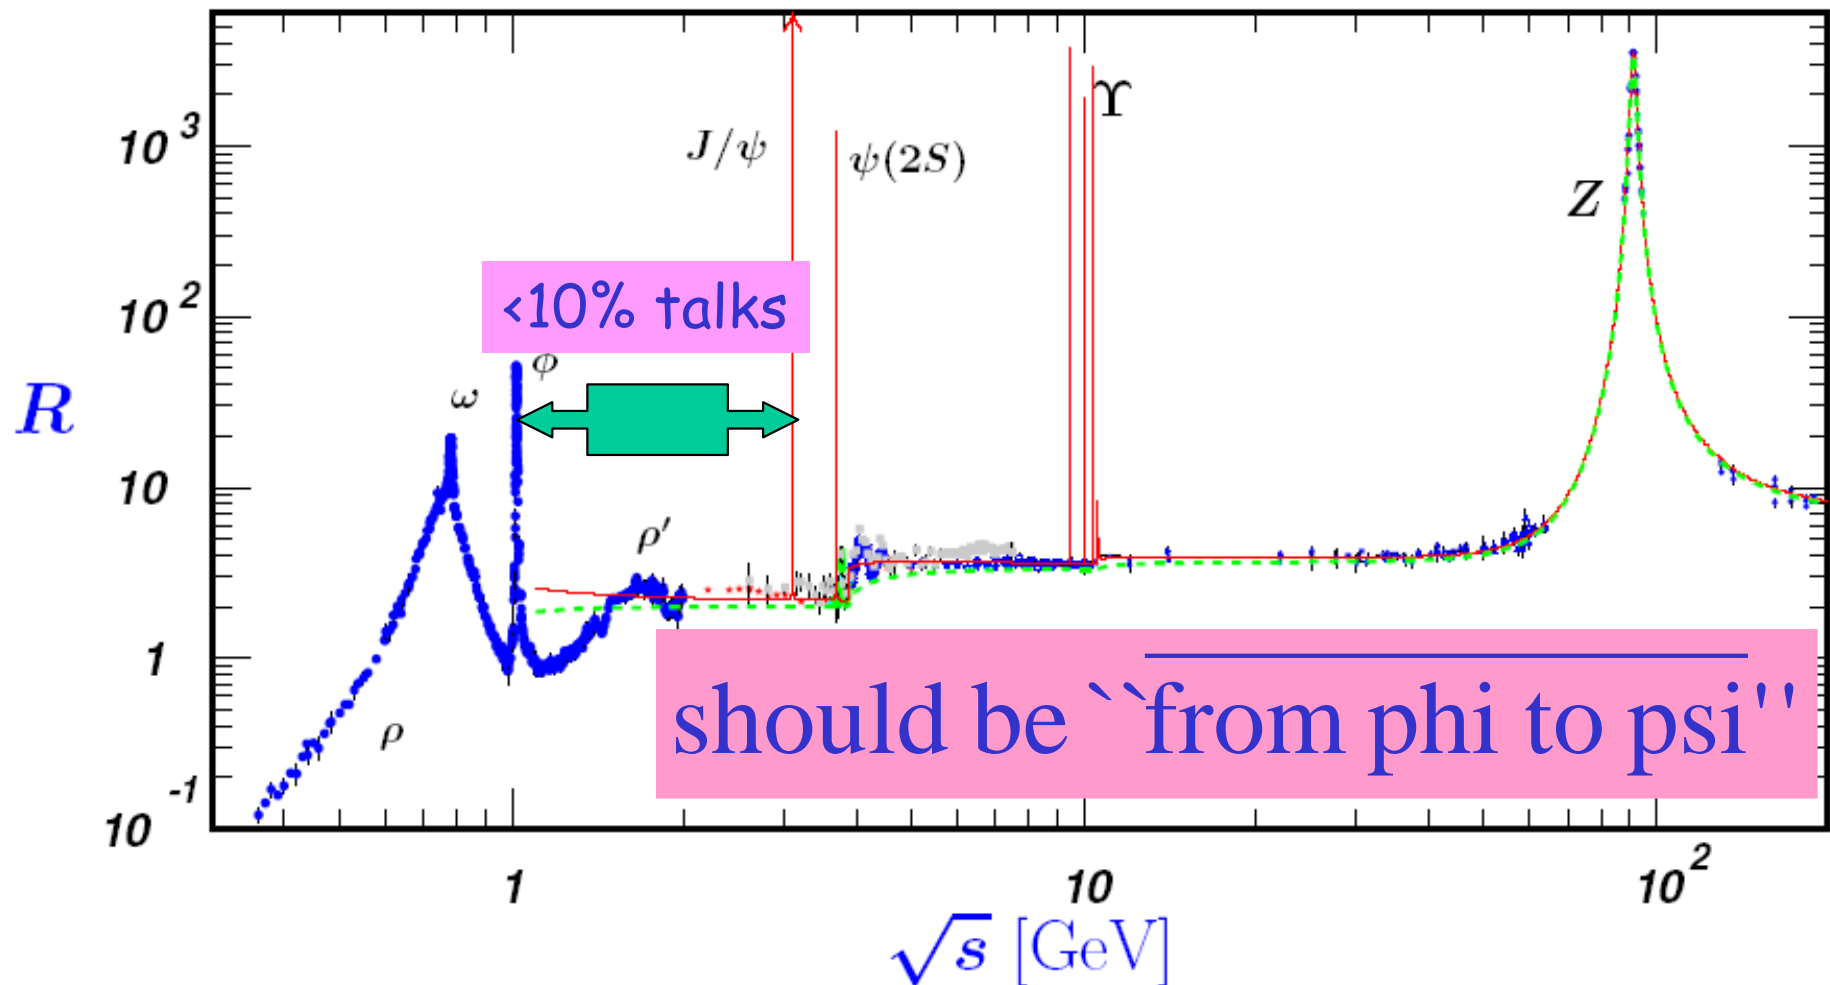

The workshop should not be called

“from phi to psi”!

The workshop should not be called

“from phi to psi”!

We are happy

- Except for these few items, everything is OK!
- We had a successful workshop in Beijing!

I would like to thank

I would like to thank

Our LOC members for their contribution in
preparing this workshop

I would like to thank

Our LOC members for their contribution in
preparing this workshop

The students and the staff members in charge of
the conference room and the instruments here

Our LOC members for their contribution in
preparing this workshop

The students and the staff members in charge of
the conference room and the instruments here

Especially to the secretaries of the workshop

Miss Yinghua JIA and Mr. Lijun GUO

They arranged everything (except the agenda) of
the workshop!

Next workshop ...

Next workshop ...

Our Russian colleagues have kindly agreed to host next workshop in September 2011 in Novosibirsk, where the workshop got the current name.
