

ICFA Mini-Workshop on Dynamic Apertures of Circular Accelerators

Wednesday, 1 November 2017

Session II: Methods for DA study and optimization, & New approaches - C305 (11:00 - 12:30)

-Conveners: Katsunobu Oide

time	[id]	title	presenter
11:00	[9]	Cancelling higher order multipoles	Dr CAI, Yunhai
11:30	[10]	DA optimization by multi objective method	Dr ZHANG, Yuan
12:00	[11]	Comparison of four tracking based methods of optimizing nonlinear dynamics	XIAO, aimin
