## 1. Accommodation

We've booked rooms in Zhongguanxinyuan Global Village, Building No.1 and Building No.9.

### 1.1 Zhongguanxinyuan Global Village

#### 1.1.1 Information of Zhongguanxinyuan

Zhongguanxinyuan Global Village belonging to the Conference Center of Peking University. It composed of 9 buildings with a floor area of 172 thousand square meters, including guest rooms, apartments, restaurants, health clubs and conference facilities. Zhongguanxinyuan Building No.1 is equipped with four stars standard.

Address : 126# Zhongguancun North Street, Haidian District, Beijing

Tel: (8610)-62752288

### 1.1.2 Location of Zhongguanxinyuan

### 1.1.3 Transportation (Zhongguanxinyuan)

There are three modes of transportation from Beijing Capital Airport to Zhongguanxinyuan.

Method A: By taxi (About 1 hour, 100-120 RMB)

Please do not accept any individual solicitation for a ride upon your arrival, but directly go to the official site for TAXI AERA in the airport, and then take a taxi to West Gate of Zhongguanxinyuan, which is just on the opposite side of the South-East Gate of Peking University.

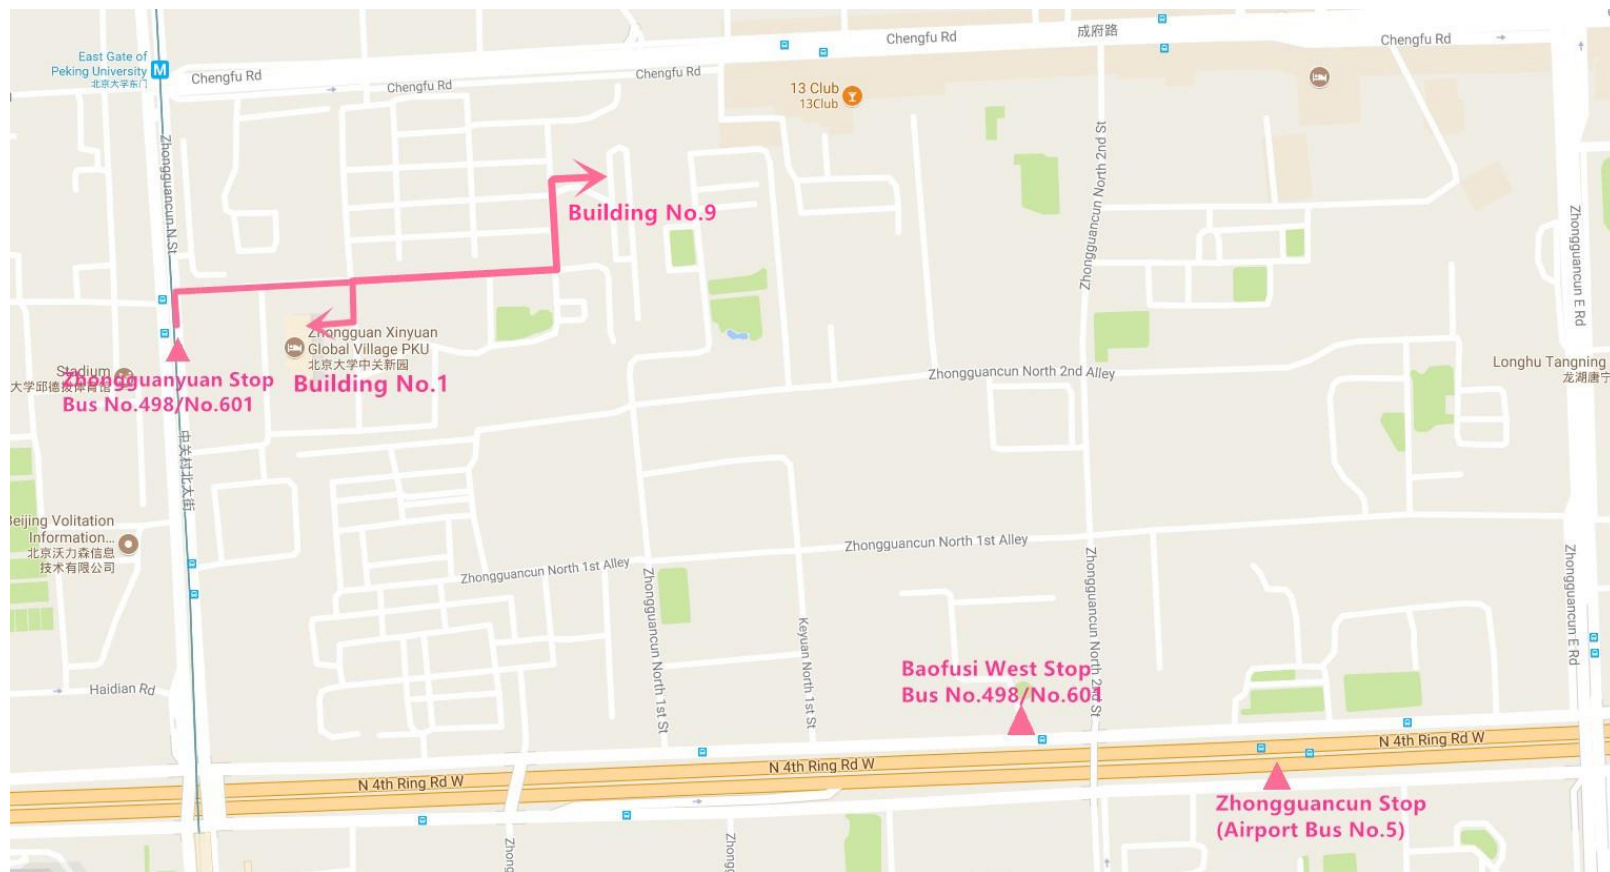

After seeing the sign of “北京大学中关村新园” (that’s the west gate of Zhongguanxinyuan), follow the arrow and turn right at the first corner to find Building No.1. If your reservation is in Building No.9, please go straight ahead and turn left at the end of the road.

Method B: By Airport Bus (About 1.5 hour, 30-50 RMB)

Please buy ticket (about 30 RMB) at the desk of Beijing Airport Bus, take Airport Bus No.5 and get off at Zhongguancun (The last stop of Airport Bus No.5) .

You can take a taxi to go to Zhongguanxinyuan (costs around 14 RMB) or by walk (around three kilometers), or take a bus (No.498 or No.601, costs 2 RMB) from BaofusiWest Stop to Zhongguanyuan Stop.

Method C: By Subway (About 1.5 hour, 30 RMB)

Take subway Airport Line (25 RMB) and stop at Sanyuanqiao Station. Then take subway Line 10 to Haidianhuangzhuang Station, and then transfer Line 4, get off at East Gate of PKU (5 RMB) and go out through South-East Exit (Exit C).

### 1.1.4 Useful Translation

※ Hello, please take me to Build No.1(No. 9), Zhongguanxinyuan. The address is 126# Zhongguancun North Street, on the opposite side of the South-East Gate of Peking University.

您好，请带我去北京大学中关村新园 1 号楼（9 号楼）。地址在中关村北大街 126 号，北京大学东南门对面。

※ Hello, please take me to Beijing Capital Airport (Terminal 1/2/3).

您好，请带我去北京首都机场（1 号/2 号/3 号航站楼）。

※ I want to go to ..... Could you please tell me how to get there?

我想去..... 能告诉我怎么去吗？

※ Thank you.

谢谢

## 2. School of Physics, PKU

### 2.1 Introduction

In 1913, the “WuLi Men” (physics division) was established at Peking University, and this was later renamed the Department of Physics in 1919. The School of Physics was established in 2001, and includes not only the traditional fields of study in physics, but also related physical sciences. Today, the School of Physics includes Physics, Astronomy, Atmospheric & Oceanic Sciences, and Nuclear Science & Technology and consists of eleven divisions and seven related research institutes, including the State Key Laboratory for Artificial Microstructure and Mesoscopic Physics and the State Key Laboratory of Nuclear Physics and Technology.

It has been more than 100 years since Peking University established its Department of Physics. The Department’s founding in 1913

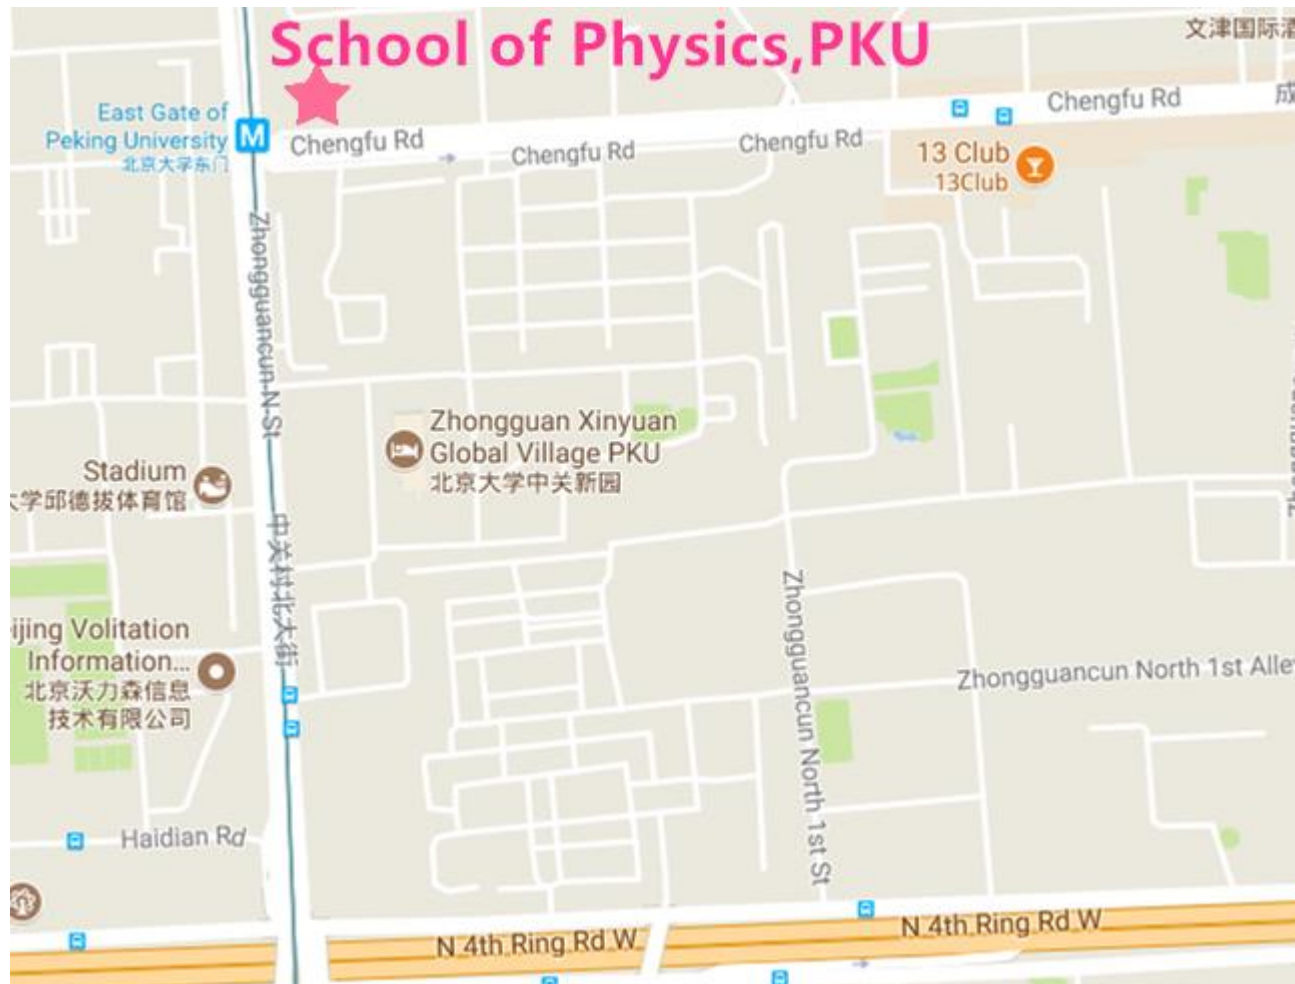

was not only an announcement of the importance that Peking University placed on the physical sciences, but also a milestone in the development of modern science in China. One hundred years on, the School has made distinguished contributions to the nation and to the world in both education and academia. As it embarks on its second century, the Peking University School of Physics extends a warm welcome to distinguished scholars and outstanding young students from China and abroad who wish to join its ranks.
