

**Measurements of open bottom hadron production  
via displaced  $J/\Psi$ ,  $D^0$  and electrons in Au+Au  
collisions at  $\sqrt{s_{\text{NN}}} = 200$  GeV at STAR**

*Friday, 22 June 2018 09:30 (15 minutes)*

**Presenter:** Mr CHEN, Xiaolong (University of Science and Technology of China)

**Session Classification:** Parallel Session III: Heavy Ion Physics
