

1st Chinese-French Workshop on LHC Physics and Associated Grid Computing

Monday, 11 December 2006 – Saturday, 16 December 2006

IHEP

Scientific Programme

The workshop will be held in Beijing (P.R. China) at the Institute for High Energy Physics (IHEP). Participant can arrive on sunday 10th or on monday 11th morning since registration will be in place since sunday. The scientific programm of the workshop will be from monday 11th afternoon to friday 15th afternoon, saturday 16th will be devoted to an outside visit.

Welcome Session

Laboratory Visit

Status of LHC Project

LHC Environment Status

Physics and Grid at LHC

Visit IHEP

Physics at LHC - Working Session

Computing Grid at LHC

Physics at the TEV scale reachable with LHC:
Theory session

Cooperation discussion

Tutorial on ATLAS analysis tools

Tutorial on CMS analysis tools

Tutorial on computing grid tools

Cooperation discussions

Conclusion talks
