

# The 10th International Workshop on Air Shower Detection at High Altitudes

Friday, 10 January 2020

New physics - Zijin Hall, first floor (10:25 - 12:05)

-Conveners: Xiang-Yu Wang

| time  | [id] | title  | presenter          |
|-------|------|--|--------------------|
| 10:25 | [33] | New Physics from High Energy Cosmic Rays                       | Prof. MA, Bo-Qiang |
| 10:50 | [34] | UHE cosmic rays: knowns, unknowns, and possible "new physics"  | DI MATTEO, Armando |
| 11:15 | [35] | Highest energy cosmic rays as messengers from the mirror world | GAZIZOV, Askhat    |
| 11:40 | [36] | Probes of fundamental physics from Multi-messenger astronomy   | ADDAZI, Andrea     |
