

Minutes of CEPC SDT Meeting

Online, 2020-05-12

Meeting indico link: <https://indico.ihep.ac.cn/event/11829/>

Progress Report (Ryuta)

- MatLab default installation is okay
- Encountered some errors
- Will focus on this version of software for the moment
- Ask Zhaoru for help
- Make the Tuesday morning 9:00 as regular meeting from now

Actions

1. Get the performance of the default geometry from CDR (two plots, fast simulation, just 85degree, for barrel)
2. Contact Zhaoru for LDT technical help (Gang)
3. Prepare talk for Wednesday CEPC Detector and Physics Meeting (Xin)

CEPC-CDR-Vol2. Chapter 4.1.3 Detector Performance
