

Virtual International Sample Environment Workshop

Friday, 11 December 2020

Extreme Parameters - Conference ID: 63512286168 (19:30 - 20:30)

-Conveners: Klaus Kiefer

time	[id] title	presenter
19:30	[38] Low Background Materials for High Pressure Cells Used in Inelastic Neutron Scattering Experiments	KIRICHEK, Oleg
19:45	[39] New Gas Pressure Cells for Neutron Scattering - A Progress Report	GIRIAT, Gaetan
20:00	[40] Highlights and challenges from seven years of magnet and cryostat operation at the extreme environment diffractometer (EXED) at HZB	GERISCHER, Sebastian
20:15	[41] Levitation furnaces for neutron scattering at ORNL	QUIRINALE, Dante
