Document database

- *Set up a system of internal technical notes, as well as a corresponding internal reviewing process.*
- *Set up a system for reviewing/rehearsing public CEPC presentations.*
- *Set up a (simple) structured public web page / work space where links to working groups, meetings, technical documents, software documentation, public presentations etc. can be found. Include instructions for joining the corresponding mailing lists.*

• DocDB

- Should try to post notes and documents into database
 - <http://cepcdoc.ihep.ac.cn/cgi-bin/DocDB/DocumentDatabase>
- Public visits: account: cepcro (passwd: cepc2020)
