

# **Corrosion kinetics of steel T91 in flowing oxygen-containing lead-bismuth eutectic at 450° and 550°C**

*Tuesday, 19 October 2010 13:30 (25 minutes)*

**Presenter:** Dr KONYS, Juergen (Karlsruhe Institute of Technology)

**Session Classification:** Oral Session –6 Compatibility of liquid metals with structural materials: liquid metal corrosion and embrittlement
