

CEPC DAY (May 21, 2021)

Friday, 21 May 2021

Accelerators - A124 (14:00 - 17:10)

-Conveners: Chenghui 于程辉

time	[id]	title	presenter
14:00	[0]	Plan of software development for accelerator physics design	Dr ZHANG, Yuan
14:25	[1]	The need for the superconducting sextupoles in the interaction region	Mr 王, 毅伟
14:45	[2]	The consideration of cryogenic system design	Mr 葛锐, Rui
15:20		Coffee Break	
15:40	[3]	The plan of international cooperation in control system	Mr 李刚, gang
16:00	[4]	The design of BEPCII superconducting magnet based on CEPC technique	Dr XU, Qingjin
16:35	[5]	The progress of BEPCII backup superconducting magnet	朱应顺
