

The 2nd workshop on Material Development for the Homogeneous Hadronic  
Calorimeter Detector Concept

Contribution ID: 10

Type: **not specified**

**Fermilab' s History in the Development of Crystals,  
Glasses and Si Detector Readout for Calorimetry**

*Sunday, 9 May 2010 10:00 (30 minutes)*

**Primary author:** Prof. FISK, H. EUGENE E (Fermilab)

**Presenter:** Prof. FISK, H. EUGENE E (Fermilab)

**Session Classification:** Session I
