

The 2nd workshop on Material Development for the Homogeneous Hadronic
Calorimeter Detector Concept

Contribution ID: 5

Type: **not specified**

**Crystal development for HHCAL: physical and
technological limits**

Sunday, 9 May 2010 13:00 (30 minutes)

Primary author: Dr GEKTIN, Alexander (Institute for Scintillation Materails, Kharkov, Ukraine)

Presenter: Dr GEKTIN, Alexander (Institute for Scintillation Materails, Kharkov, Ukraine)

Session Classification: Session II
