

The 10th International Workshop on Chiral Dynamics

Thursday, 18 November 2021

Plenary session(Chair: Evgeny Epelbaum) (18:30 - 21:00)

time	[id]	title	presenter
19:00	[111]	Nuclear forces in a manifestly Lorentz-invariant formulation of chiral EFT	REN, Xiulei
19:40	[112]	Precision tests of fundamental physics with eta and eta' mesons	KUBIS, Bastian
20:20	[113]	An overview of the recent and ongoing activities by the LENPIC	KREBS, Hermann
