

Professional Manufacturer & Service
Supplier of Neutron Shielding Materials &
Precision Equipment for
Neutron Scattering Instruments

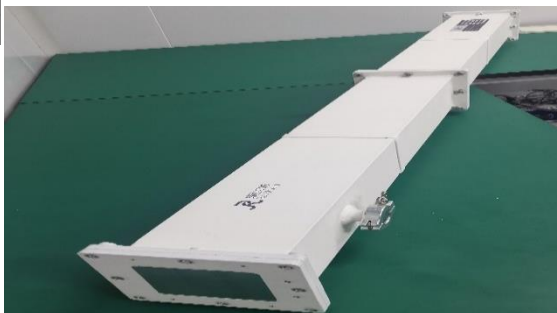

Neutron Shielding Materials

- Composite Materials
- Flexible
- Bonded Boron Carbide
- Sealant
- Concrete Additives
- Boron-Aluminum Alloy

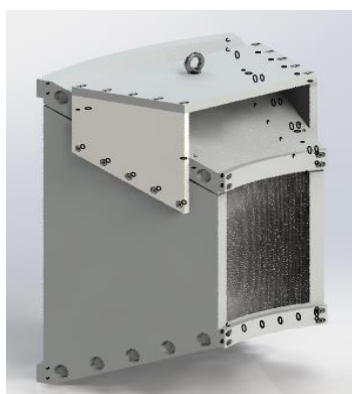

Neutron Fine collimator

- Soller Shape
- Radial Shape
- Biconical Shape

Coating Processes

Anhui RayShield New Material Technology Co., Ltd.

Address: 21-2, Liandong U-gu, intersection of Shenzhen road and Penglai Road

Feixi County, Hefei City, Anhui, China.

Tel/Wechat : 186-5600-0903 (Manager Yue) Email: hvyue88@163.com
