Sunday, 28 March 2010

LCWS: Higgs/EWSB: session 2: Higgs couplings to gauge bosons - Bldg8 Rm3 (09:00 - 10:30)

time	[id]	title	presenter
09:00	[206]	Luminosity measurement at ILC with FCAL	
09:20	[207]	Probing anomalous ZZH and ZH interactions at an e+e- linear collider with polarized beams	
09:40	[208]	Genuine CP violating observables and ZZH coupling	
10:00	[209]	Measurement of Higgs anomalous coupling with H->WW
