

LCWS 2010

Saturday, 27 March 2010

LCWS: SUSY/NP (16:00 - 18:00)

time	[id]	title	presenter
16:00	[102]	Measurement of right-handed neutrino in extra dimension model at ILC	
16:20	[103]	Probing two universal extra dimension model photons at the ILC	
16:40	[104]	Signals of universal extra dimension at the linear collider	
17:00	[105]	Precision test of gauge boson self couplings at ILC	
17:20	[106]	Independent WIMP searches in full simulation of the ILD detector
