

The 2021 International Workshop on the High Energy Circular Electron  
Positron Collider

Contribution ID: 58

Type: **not specified**

**基于大冷量斯特林制冷机的超导磁体降温方法及系统研究  
(Superconducting magnet cooling method and  
system based on large cooling capacity Stirling  
Cryocooler)**

*Monday, 8 November 2021 14:40 (20 minutes)*

**Presenter:** Dr 孙大明

**Session Classification:** CIPC
