Hi Pengcheng,

Yes, from the RPC side the approval is over.
 Thank you for your accurate work.
 Now we are waiting for a Muon decision.
 I think a Muon group reviewer should be already assigned.
 Best!
 Roumyana

Dear Roumyana, Dear Borislav,

Could I assume that the RPC approval for my draft is completed now, and I need to wait for the Muon approval to be completed?
 I have not received any new emails related to the Muon approval, could you please inform me how about the current status?

Looking forward to your kindly reply.

Best Regards,
 Pengcheng
