Dear Jesus,

PubComm has no objections if the relevant conveners agree with the author list (and content, of course).

Best wishes, Claudia

Dear Claudia, Carlos and Boaz,

The MCPB requests permission to submit the following paper for publication (draft attached):

Research and Development of the Readout Electronics System for the Improved Resistive Plate Chambers in CMS

The selected journal is Radiation Detection Technology and Methods (<https://www.springer.com/journal/41605>)

Please confirm. Thanks in advance,

Jesús on behalf of the MCPB
