## X-ray high-energy astrophysics: an overview of personal research

*Friday, 17 June 2022 14:20 (15 minutes)*

In this talk, I will present a brief overview of my research on X-ray high-energy astrophysics, including X-ray binaries, AGNs, X-ray surveys, X-ray transients, etc., to pay a tribute to the 60th anniversary of X-ray astronomy.

### Topic

活动星系核与超大质量黑洞
