

The 2022 International Workshop on the High Energy Circular Electron
Positron Collider

Contribution ID: 297

Type: **not specified**

**C06: Study on energy resolution of the dual-readout
calorimeter for future e+e- colliders using GEANT4
simulation and the first test-beam**

Wednesday, 26 October 2022 21:53 (3 minutes)

Presenter: HWANG, Kyuyeong (Yonsei University)

Session Classification: Posters
