

The 2022 International Workshop on the High Energy Circular Electron
Positron Collider

Contribution ID: 352

Type: **Talk**

Exploiting time evolution in rare decays of B_d and B_s mesons

Tuesday, 25 October 2022 13:30 (30 minutes)

Presenter: DESCOTES-GENON, Sébastien (IJCLab (CNRS/Université Paris-Saclay))

Session Classification: Flavor physics
