

The 13th International Workshop on e+e- collisions from Phi to Psi

Thursday, 18 August 2022

Session 1 (13:35 - 15:40)

-Conveners: Bei Jiang LIU

time	[id] title	presenter
13:35	[26] Four-Quark Nature of Light Scalar Mesons	ACHASOV, Nikolay
14:00	[9] The cross-section measurements of electron-positron annihilation into hidden-charm	XIE, Yong
14:25	[69] Recent results from the CMD-3	RAZUVAEV, Georgiy
14:50	[53] Study of a fine structure in the hadronic e+e- cross sections at \sqrt{s} threshold at VEPP2000	SOLODOV, Evgeny
15:15	[10] Studies of XYZ resonances with open-charm	LIU, Tong
