

# The 13th International Workshop on e+e- collisions from Phi to Psi

Thursday, 18 August 2022

Session 4 (21:30 - 23:10)

-Conveners: Lei Zhang

time	[id]	title	presenter
21:30	[4]	Search for New Physics using tau leptons at Belle and Belle II	BISWAS, Diptaparna
21:55	[58]	Searching for heavy neutral leptons using $\tau$ decays at BABAR	PATRIGNANI, Claudia
22:20	[71]	Improved radiative corrections to $\tau \rightarrow \pi(K) \nu_\tau \gamma$ : reliable new physics tests	ROIG, Pablo
22:45	[82]	Lepton universality tests and $V_{us}$ calculation with the new radiative corrections for tau hadronic decays	LUSIANI, Alberto
