

Higgs 2023, Nov 27 - Dec 2 2023, Beijing

Friday, 1 December 2023

Parallel: EFT - C305 (09:00 - 10:30)

-Conveners: Davide Zuliani; Jonathon Langford; Christina Gao

time	[id] title	presenter
09:00	[62] Combined Effective Field Theory interpretation of ATLAS Higgs measurements	WANG, Yuhao
09:20	[112] Anomalous triple gauge couplings in electroweak dilepton tails at the LHC and interference resurrection	Mr MIN, Ui
09:40	[117] Probing the CP Violating top Yukawa coupling at the LHC	ZHENG, Ya-Juan
09:55	[93] Search for anomalous couplings affecting Higgs boson production and decay with the CMS experiment	SANTOCCHIA, Attilio
10:10	[82] Multi-Higgs production in vector boson scattering	SANZ-CILLERO, Juan José
