Dear Colleagues,

We would like to remind you about the upcoming International Workshops on Weak Interactions and Neutrinos (WIN2023) conference, taking place in Zhuhai, China from July 3 to 8, 2023.

We welcome all colleagues to join us for the WIN2023 conference, and to present overviews, highlights, parallel talks, and posters. **We have extended the deadline for abstract submission to May 31.** Please note that **the deadline for our early bird discount is also on May 31. Registration for the conference is available** at <https://indico.ihep.ac.cn/e/win2023> and more details about the conference can be found at <https://ifcen.sysu.edu.cn/win2023>.

As international travel and visa application for China have fully resumed, we are pleased to announce that the conference will be held in-person only.

We look forward to your participation and meeting you in person at the conference.

If you have any questions, please feel free to contact us at win2023@mail.sysu.edu.cn. Also, please do not hesitate to forward this bulletin to anyone who may be interested in the conference.

Best regards,

Wei Wang, Professor of Physics and Nuclear Science & Technology
Dean of Sino-French Institute of Nuclear Engineering and Technology
On behalf of the WIN2023 Local Organizing Committee
