Hi all participants:

Attention all attendees, please note that tomorrow (2nd July), from 2 PM to 8 PM, on-site registration will be available at all four officially recommended hotels. For those who arrive after this time, registration can be done in the lobby outside Room C203 at the conference venue during the conference dates.

Tomorrow evening, from 6 PM to 9 PM, there will be a reception on the 4th floor of Ruohai Restaurant on the campus of Sun Yat-sen University. You are welcome to go there on your own, and there will be volunteers to provide directions.

To the presenters participating in the poster exhibition, please return to the lobby outside Room C203 immediately after Monday's lunch. We will proceed with the poster display setup to ensure everything is ready for the Best Poster Voting during the afternoon Poster Session. We highly recommend engaging with attendees by explaining and discussing your poster during the exhibition.

Best regards,
