

The 29th International Workshop on Weak Interactions and Neutrinos

Monday, July 3, 2023

Overview talks 4: Astro-particle Physics & Cosmology - Room C203, Haiqin Building #6 (4:30 PM - 5:50 PM)

-Conveners: Jan Hamann

time	[id]	title	presenter
4:30 P	[01]	Cosmological implications for neutrino physics	Prof. WONG, Yvonne
5:10 P	[02]	Recent results from IceCube with GeV to PeV neutrinos	Dr YU, Shiqi
