

The 29th International Workshop on Weak Interactions and Neutrinos

Monday, 3 July 2023

Overview talks 4: Astro-particle Physics & Cosmology - Room C203, Haiqin Building #6 (16:30 - 17:50)

-Conveners: Jan Hamann

| time | [id] | title | presenter |
|-------|------|---|--------------------|
| 16:30 | [91] | Cosmological implications for neutrino physics | Prof. WONG, Yvonne |
| 17:10 | [92] | Recent results from IceCube with GeV to PeV neutrinos | Dr YU, Shiqi |
