

The 29th International Workshop on Weak Interactions and Neutrinos

Wednesday, July 5, 2023

Parallel talks 4: Electroweak Interactions (4:10 PM - 5:50 PM)

-Conveners: Lailin Xu

time	[id]	title	presenter
4:10 P	M63]	Measurements of electroweak diboson production in association with two jets in ATLAS	WU, Yusheng
4:35 P	M64]	Measurement of multiboson production in ATLAS	XU, Hao
5:00 P	M67]	WZ cross section measurements at LHCb	Mr WANG, Xiao
5:25 P	M179]	LHC and Future High Energy Colliders: Probing the nTGC New Physics	XIAO, Rui-Qing
