

The 29th International Workshop on Weak Interactions and Neutrinos

Friday, July 7, 2023

Parallel talks 5: Neutrino Physics - Room C203, Haiqin Building #6 (2:00 PM - 3:40 PM)

-Conveners: Shun Zhou

time	[id]	title	presenter
2:00 P	[M205]	Light Sterile Neutrinos at Neutrino Oscillation Experiments (remote)	KELLY, Kevin
2:25 P	[M196]	Light Sterile Neutrinos: A Modern Picture and a Model to Evade Cosmology (remote)	DENTON, Peter
2:50 P	[M198]	Unprecedented Precision on Neutrino Oscillation Parameters using Synergy between DUNE and T2HK (remote)	AGARWALLA, Sanjib
3:15 P	[M197]	New physics beyond three neutrino mixing	LI, Yufeng
