

The 2023 International Workshop on the High Energy Circular Electron
Positron Collider

Contribution ID: 317

Type: **not specified**

**The Slepton Bulk Region for Dark Matter in the
Generalized No-scale F-SU(5) with Effective
Super-Natural Supersymmetry**

Thursday, 26 October 2023 16:25 (25 minutes)

Presenter: LI, Tianjun (Institute of Theoretical Physics, Chinese Academy of Sciences)

Session Classification: BSM
