

International Collaboration on Advanced Neutron Sources

Thursday, November 2, 2023

Instruments: Neutron and muon sample environment/Moun technology - V5, the 4th floor (11:00 AM - 12:40 PM)

-Conveners: Pascale Deen

time	[id]	title	presenter
11:00	A120	High pressure research at PSI using neutrons and muons (Keynote)	SIMUTIS, Gediminas
11:25	A121	Event-mode stroboscopic experiments with sample environments (Invited)	INAMURA, Yasuhiro
11:50	A122	Development of Sample Environment at CSNS (Invited)	HU, Haitao
12:15	P127	ISIS muon facility status and technology development (Invited)	STEWART, Rhea
