

International Collaboration on Advanced Neutron Sources

Thursday, 2 November 2023

Instruments: Neutron and muon sample environment/Moun technology - V5, the 4th floor (11:00 - 12:40)

-Conveners: Pascale Deen

time	[id]	title	presenter
11:00	[120]	High pressure research at PSI using neutrons and muons (Keynote)	SIMUTIS, Gediminas
11:25	[121]	Event-mode stroboscopic experiments with sample environments (Invited)	INAMURA, Yasuhiro
11:50	[122]	Development of Sample Environment at CSNS (Invited)	HU, Haitao
12:15	[227]	ISIS muon facility status and technology development (Invited)	STEWART, Rhea
