

International Collaboration on Advanced Neutron Sources

Monday, 30 October 2023

Instruments: Moun/white Neutron instrumentation - V5, the 4th floor (13:30 - 15:05)

-Conveners: Yu Bao

time	[id]	title	presenter
13:30	[70]	Low energy muons update and future developments (Keynote)	KANDA, Sohtaro
13:55	[74]	Target/HIMB and FLAME (Invited)	PROKSCHA, Thomas
14:20	[75]	Muon spectrometer design for the first muon facility in China (Invited)	PAN, Ziwen
14:45	[236]	Back-n White Neutron Facility as a Multi-purpose Research Platform	FAN, Ruirui
