

# Strong QCD from Hadron Structure Experiments - VI

Friday, 17 May 2024

Session 13: Chair: Craig Roberts (09:00 - 10:45)

| time  | [id] | title   | presenter        |
|-------|------|---|------------------|
| 09:00 | [27] | N* Electroexcitation Amplitudes and Emergent Hadron Mass  | MOKEEV, Victor   |
| 09:35 | [30] | Reaction Theory for Resonance Electro and Photoproduction | DOERING, Michael |
| 10:10 | [32] | Probing Bound Quark States as a Window into Strong QCD    | GOTHE, Ralf      |
