SC24

(recommended to be printed on paper and be carried along during the travel)

After you arrive at the airport in China, we recommend you take a taxi directly from the airport to the workshop hotel. The approximate costs by taxi are the following:

1. If you arrive at the Guangzhou Baiyun International Airport, the price is about 400 CNY. (52 EURO)

2. If you arrive at the Shenzhen Bao'an International Airport, the price is about 300 CNY. (38 EURO)

Usually, there are signs which can guide you to the taxi stand at the airport. In case you need any help, here's the information to show to the airport staff. Below are a few key Chinese help for your convenience:

➢ This is to ask where is the taxi stand at the airport:

您好，请问在哪里可以乘坐出租车（不是网约车）？ 出租车候客区怎么走?

**Excuse me, could you please show me where I can take a taxi
(not the online ride-haling service)? How can I get to the Taxi Stand?**

➢ When you arrive at the taxi stand and find a taxi, the form below helps you to communicate to the taxi driver what is the address you want to go to and that you want the receipt:

1) **司机您好，请把我送到东莞会展国际酒店，谢谢。酒店地址：东莞市会展北路**

   Hello, can you take me to the Dongguan Exhibition International Hotel? Thank you.

2) **您好，请帮我开发票，谢谢。**

   Can you provide an invoice/receipt

➢ In case you have problems or issues, feel free to contact by phone the coordinator Dr. Yaoshuo Yuan: tel. 0086-13790526652
Or, you may show the following information to the taxi driver and let him/her call Yaoshuo Yuan:
