

The 2024 International Workshop on the High Energy Circular Electron Positron Collider

Contribution ID: 95

Type: **Poster**

Design and development of CEPC control system

Wednesday, 23 October 2024 21:09 (1 minute)

Design and development of CEPC control system towards EDR is introduced, including key issues, manpower and current progress.

Primary author: JIN, Dapeng (Institute of High Energy Physics, CAS, China)

Presenter: JIN, Dapeng (Institute of High Energy Physics, CAS, China)

Session Classification: Poster

Track Classification: Accelerator: 02: Accelerator technology
