

The 2024 International Workshop on the High Energy Circular Electron
Positron Collider

Contribution ID: 131

Type: **not specified**

**The Right-Handed Slepton Bulk Region for Dark
Matter in Generalized No-scale F-SU(5) with Effective
Super-Natural Supersymmetry**

Wednesday, 23 October 2024 16:00 (22 minutes)

Presenter: LI, Tianjun (Institute of Theoretical Physics, Chinese Academy of Sciences)

Session Classification: BSM
