

The 2024 International Workshop on the High Energy Circular Electron  
Positron Collider

Contribution ID: 197

Type: **not specified**

**On capture and aceleration of slow muon (from MeV  
to GeV) beam by wake field from PKU**

*Friday, 25 October 2024 09:40 (20 minutes)*

**Presenters:** XUEQING YAN (P); XUEZHI WU

**Session Classification:** Accelerator
