

# Mini-workshop on CEPC Fast Luminosity Feedback System

Saturday, 14 September 2024

Session 1: Session 1 - 多学科122 (09:00 - 10:20)

-Conveners: wang 王九庆

| time  | [id] | title                                                                            | presenter                 |
|-------|------|----------------------------------------------------------------------------------|---------------------------|
| 09:00 | [5]  | Welcome Remark & Introduction                                                    | GAO, Jie                  |
| 09:20 | [6]  | Horizontal IP feedback system at SuperKEKB based on fast luminosity measurements | Prof. BAMBADE, Philip     |
| 09:40 | [9]  | BEPCII Fast Feedback Monitor(Cancelled)                                          | CAI, Xiao                 |
| 10:00 | [14] | AI-driven Fast Feedback on BEPCII                                                | 樊家琦, UNKNOWN<br>王九庆, wang |
