

The 4th Conference on Physics under Synergetic Extreme  
Conditions Held jointly with the User Meeting and Summer  
School of SECUF (SECUF-2025)

Saturday, 19 July 2025

Session 3: Quantum transport in low dimensional materials and quantum devices at ultralow temperatures:

Parallel Session 3 - Dragon Gate Hall (14:00 - 17:00)

-Conveners: Li Lu

Sunday, 20 July 2025

Session 3: Quantum transport in low dimensional materials and quantum devices at ultralow temperatures:

Parallel Session 3 - Dragon Gate Hall, 1st Floor (14:00 - 18:00)

-Conveners: Li Lu

Monday, 21 July 2025

Session 3: Quantum transport in low dimensional materials and quantum devices at ultralow temperatures:

Parallel Session 3 - Dragon Gate Hall, 1st Floor (09:00 - 12:00)

-Conveners: Li Lu
