第十届粒子所"青年之星"2024年度学术论坛

Thursday, 21 November 2024

Thursday Morning First Session - 9409 (08:50 - 10:10)

time	[id] title	presenter
08:50	[13] Exploring phase transition in percolation models with siamese neural network	王，山山
09:10	[9] The tricritical point of tricritical directed percolation is determined based on neural network	高，峰
09:30	[22] q Index Degree Distribution in Random Networks via Superstatistics	王，慧林
09:50	[4] Exploring percolation phase transition in the three-dimensional Ising model with machine learning	郭，冉冉
