

# International Symposium on Modern Physics — In Memory of Tsung Dao Lee

Saturday, 1 March 2025

Session 3 (14:00 - 15:30)

-Conveners: Shan-Gui Zhou

time	[id] title	presenter
14:00	[24] Physics Beyond the Standard Model, Lattice QCD and Tsung Dao Lee	CHRIST, Norman H.
14:30	[25] T.D. Lee's excited vacuum and super dense nuclear matter - fifty years of signatures in relativistic heavy ion collisions and in gravitational waves emitted in binary neutron star collisions	STOECKER, Horst
15:00	[26] A Neutrino Story from Tsung Dao Lee	ZHOU, Shun
