

# Holographic applications: from Quantum Realms to the Big Bang

Sunday, 13 July 2025

Plenary Talk (17:30 - 18:30)

time	[id]	title	presenter
17:30	[41]	D-commuting SYK model: building quantum chaos from integrable blocks	LIN, Han
17:50	[42]	Quantum Corrections in the Low-Temperature Fluid/Gravity Correspondence	YUE, Congyuan
18:10	[101]	Clarifying the interior dynamics of charged black holes	MEINING, Duan
