

**Quark-Gluon Plasma in Heavy-Ion Collisions - Quantifying and
Understanding Its Near-Perfect Fluidity 2025**

Contribution ID: 23

Type: **not specified**

**Hydrodynamic attractors: from models of nuclear
collisions towards cold atom experiments**

Tuesday, 16 September 2025 14:30 (30 minutes)

Presenter: HELLER, Michal

Session Classification: Session 7
